

No School Spirits®
2017/2018 – PSA Contest
Official Rules

The West Virginia Alcohol Beverage Control Administration (WVABCA) is pleased to announce a statewide contest for high school students. We are looking for motivated high school students to submit an essay or video addressing why their idea about the dangers of drinking and driving or underage drinking should be developed into a storyboard and script for a Public Service Announcement (PSA). The grand prize winner will receive \$5000 for their school and have the opportunity to take part in the creation of the PSA. The second place winner will receive \$2500 for their school; third place will receive \$1000 for their school. The PSA will highlight the dangers of drinking and driving or other underage drinking related issues. The PSA will feature the students, school, and surrounding community. In addition to being aired on television and other forms of media outreach, the PSA may also be distributed to high schools across the state and may be part of the WVABCA DUI Simulator Program.

Who can enter? High school students currently enrolled and attending a public or private school in West Virginia. Students may enter individually, as a group, or as a classroom. The number of entries per high school is unlimited; however, there is a limit of one entry per person. Only high school students may participate in the essay or video production (acting, filming, writing and producing); however, others may provide limited technical assistance and oversight.

What are the requirements? Essays do not have a page limit, but must be formatted in 12pt./Times New Roman font. Videos do not have a time limit, but must be uploaded to YouTube.com and the video URL included on the entry form. The essays and videos will be judged on creativity, originality, and the overall message. All entrants must complete and submit the 2017/2018 WVABCA “NO School Spirits” PSA Contest Entry Form. The entry form must be signed by a parent or legal guardian for persons under 18 years of age. Failure to complete all requirements may result in disqualification. One group or individual can submit only one entry. The same group or individual cannot submit multiple entries. All information must be legible on entry form.

What should the message include? The essay or video must deliver a message targeting your peers about underage drinking and/or dangerous drinking behavior. The message should be directed toward West Virginia youth. Examples might include: a message against drinking and driving; a non-use message for under 21; getting help for alcohol poisoning; preventing binge drinking; appropriate behavior at public events (like sporting events, concerts, etc.).

What cannot be included in the message? Obscene language, nudity, vulgar behavior, sexual innuendos or other inappropriate material as deemed by WVABCA are not permitted. Copyright and trademarked materials, music, logos, t-shirts and products cannot be used in the video without written consent. Inappropriate or obscene content will be determined at the sole discretion of the PSA judges and may result in disqualification of your submission.
