This party or licensed brewer shall make the payment of all beer barrel taxes. If the parties are not operating in West Virginia, then the brewer located in West Virginia shall make all payments of beer barrel taxes. Any approved amendment to the franchise agreement becomes a part of the franchise agreement. A brewer and a distributor may mutually agree in writing to cancel a franchise agreement. A distributor terminated by a brewer in accordance with the Code and rules no longer has a valid franchise agreement. 6.3. The following acts, when performed by distributors, manufacturers, resident brewers or a resident brewer, acting in a limited capacity as a distributor, or brewers are unlawful:

6.3.a. A distributor or a resident brewer acting in a limited capacity as a distributor may not sell or offer to sell, or a licensed retailer may not purchase or receive, any nonintoxicating beer, except for electronic transfer of funds, cash or a check drawn against the bank account of the licensed retailer who is making the purchase. The distributor may accept electronic transfer of funds if it is initiated by an irrevocable payment order on the invoiced amount for the nonintoxicating beer. The retailer will pay the cost of the EFT and the distributor must initiate the transfer by noon within one day of delivery as prescribed by W. Va. Code §11-16-18(a)(4). No distributor shall pay or bear any cost to be included in a retailer's electronic payment, ordering, or deliver scheduling system. No right of action shall exist to collect any claims for credit extended contrary to the provisions of this section. Nothing in this section prohibits a licensee from crediting to a purchaser the actual price charged for packages or containers returned by the original purchaser as a credit on any sale, or from refunding to any purchaser the amount paid or deposited for the containers when title is retained by the licensee;

6.3.a.1. All distributors must immediately, and in the regular course of business, deposit in the bank all checks given them by licensed retailers for the purchase of nonintoxicating beer. No distributor shall through himself, or his agents or employees, enter into any agreement or understanding

with any licensed retailer to hold any checks given in payment for nonintoxicating beer;

6.3.a.2. The repeated giving of worthless checks by the licensed retailer to the distributor or the repeated acceptance of worthless checks from the licensed retailer by the distributor, is prima facie evidence of obtaining an extension of credit and shall, in the discretion of the Commissioner, be grounds for revocation or suspension of the retailer's or distributor's license; and

6.3.a.3. Payment for a retail nonintoxicating beer license, or renewal of a license, shall be submitted only in the form of a certified check, cashier's check, or money order made payable to the West Virginia Alcohol Beverage Control Administration Commissioner in the exact amount as required by W. Va. Code §11-16-9.

6.3.b. A brewer, resident brewer, distributor, or a resident brewer acting in a limited capacity as a distributor, or his or her agents, may not transport or deliver nonintoxicating beer to any licensed retailer without first obtaining a nonintoxicating beer transportation permit.

For any brewer, resident brewer, distributor, or resident brewer acting in a limited capacity as a distributor, to give, furnish, rent, or sell any equipment, fixtures, signs, supplies, or services directly or indirectly or through a subsidiary or affiliate to any licensee engaged in selling products of the brewing industry at retail or to offer any prize, premium, gift, or other similar inducement, for example any prize, premium, gift, or gift card where a purchase is necessary. No brewer, resident brewer, or distributor shall contribute to or support, either directly or indirectly, any baseball, football, bowling, or other athletic team event or contest, (except a recognized professional athletic team event or contest,) unless the brewer, resident brewer, or distributor has first obtained written permission from the Commissioner. However, it is lawful:

6.3.c.1. for a brewer, resident brewer, distributor, or a resident brewer acting in a limited capacity as a distributor, to provide advertising matter, including, but not limited to: indoor electronic or mechanical signs; branded glassware, so long as a nonintoxicating beer brand is not misrepresented by the beer being poured into misbranded glassware; plastic static window clings; tchotchkes; the temporary use of draft trucks with tap handles, portable beverage tubs, Texas icers, cold plates, draft jockey boxes, and other types of similar type of cooling and dispensing equipment; tap handles; and other items of nominal value up to \$25.00 per stock keeping unit, to either trade (Class A or Class B retail dealers, Class S, S1, S2, or S3 licensees) or consumer buyers (consumers). However, branded or logoed draft trucks with tap handles, portable beverage tubs, Texas icers, cold plates, draft jockey boxes, and other types of similar cooling and dispensing equipment; tap handles; and other items of nominal value greater than \$25.00 per stock keeping unit, may be provided for temporary use to trade buyers (Class A or Class B retail dealers, Class S, S1, S2, or S3 licensees) when such items are either rented or charged, invoiced, and paid at no less than actual cost to the trade buyer. A licensed representative must submit a promotion or advertising material request form to the Commissioner in order to be approved to provide lawful advertising material of a nominal value to a licensed retailer or to provide by rent or charge, invoice, and payment for advertising material that is greater than nominal value;

Draught line services or equipment must be separately charged and invoiced items, and such services and equipment shall not be included in the price of nonintoxicating beer sold to a licensed retailer as this would result in price discrimination;

6.3.c.4. for a distributor or resident brewer acting in a limited capacity as a distributor, to furnish, rent, or sell equipment, fixtures, signs, services, or supplies directly or indirectly or through a subsidiary or affiliate to any licensee engaged in selling products of the brewing industry at retail under the conditions and within the limitations in 6.3.c and as set forth in W. Va. Code §11-16-1 *et seq.*;

6.3.c.5. for brewer, resident brewer, resident brewer acting in a limited capacity as a distributor, or distributor to offer a prize, premium, or gift that is not an inducement when such prize, premium, or gift does not require a purchase of the brewer, resident brewer, or distributor's nonintoxicating beer product and the prize, premium, or gift is not nonintoxicating beer; and

6.3.c.6. for a brewer or resident brewer to sponsor any professional or amateur athletic event or from providing prizes or awards for participants and winners in such events, such prize and awards may not be nonintoxicating beer products: Provided, however, that no such event shall be sponsored which permits actual participation by athletes or other persons who are minors, unless specifically authorized by the Commissioner.

6.3.d. Any brewer, resident brewer, or distributor, or any salesman, agent or licensed representative of any brewer, resident brewer, or distributor, who gives, either directly or indirectly, free goods or discounts to any licensed retailer is subject to immediate license revocation, as provided in W. Va. Code §11-16-18;

6.3.d.1. Free goods, or the giving of a certain number of free cases of nonintoxicating beer, for each number or amount of cases of nonintoxicating beer purchased is prohibited.

Licensed representatives of brewers, resident brewers, and distributors may conduct trade spending up to \$150 in any licensed Class A retail dealer's establishment when the licensed representative has submitted a promotion request form, on a form provided by the Commissioner, and obtained the Commissioner's approval for a promotion. Such promotions must be offered widely to retailers and not focus on a few retailers.

6.3.d.3. A distributor or a resident brewer acting in a limited capacity as a distributor, may rotate, stock, merchandise, and price nonintoxicating beer in a licensed nonintoxicating beer retail establishment only on nonintoxicating beer or nonintoxicating craft beer delivery day; Provided, that products purchased from other distributors are not altered or disturbed. No distributor may pull, move, or place on a display shelf or cooler shelf any nonintoxicating beer from a retailer's existing or purchased nonintoxicating beer inventory currently resting at the retailer's licensed premises.

6.3.d.4. No distributor or resident brewer acting in a limited capacity as a distributor, may rotate, touch, move, alter, or disturb the products of another distributor.

6.3.d.5. No distributor or a resident brewer acting in a limited capacity as a distributor, may participate in a licensed retailer's shelf reset, diagramming, or planning, unless such reset, diagramming or planning is approved by the Commissioner, and in no event shall the number of shelf resets or planning events exceed four per year per retailer. A distributor is not required to participate in any shelf reset, diagramming, or planning. However, if a distributor participates in one licensed retailer's shelf reset, diagramming, or planning, then it must participate in any licensed retailer's requested shelf reset, diagramming, or planning up to the prescribed limit.

6.3.e. A distributor or a resident brewer acting in a limited capacity as a distributor, may not sell, possess for sale, transport, or distribute nonintoxicating beer except in the original container;

6.3.f. A distributor or a resident brewer acting in a limited capacity as a distributor may not sell, offer for sale, distribute, or deliver any nonintoxicating beer outside the territory assigned to the distributor by the brewer or manufacturer of such nonintoxicating beer or sell, offer for sale, distribute, or deliver any nonintoxicating beer to any licensed retailer whose principal place of business or licensed premises is within the assigned territory of another distributor of nonintoxicating beer: Provided, that nothing in this section prohibits sales of convenience between distributors licensed in this state where one distributor sells, transfers, or delivers to another distributor a particular brand or brands for sale at wholesale. All such sales of convenience shall be reported in writing to brewer or resident brewer;

6.3.g. A brewer, resident brewer, or manufacturer, or any other person, firm, or corporation engaging in the business of selling nonintoxicating beer to a distributor or wholesaler, may not discriminate in price, allowance, rebate, refund, commission, discount, or service between distributors or wholesalers licensed in the state of West Virginia. 6.3.g.3. A brewer or a resident brewer shall file with the Commissioner on or before December 15th of any year a complete price listing along with UPC Codes of each nonintoxicating beer product by package size and brand sold to licensed distributors. This filing is in addition to any other filing required pursuant to these rules. Failure to timely file the price list may result in fines and penalties.

6.3.h. A brewer, resident brewer, manufacturer, or any other person, firm, or corporation engaged in the business of selling nonintoxicating beer to a distributor or wholesaler, may not sell or deliver nonintoxicating beer to any licensed distributor or wholesaler unless and until the brewer, resident brewer, manufacturer, person, firm, or corporation, as the case may be, has filed the brewery or dock price of the beer, by brands and container sizes, with the Commissioner. No price schedule shall be put into effect until 90 days after receipt of the same by the Commissioner and shall be submitted on or before the following quarterly dates of January 1, April 1, July 1 and October 1 of the calendar year to be effective for the next successive quarterly period on a form provided by the Commissioner. Prices will be in effect for 90 days and are effective on the 1st day of the applicable quarterly period. If there is no change in pricing for a nonintoxicating beer product, by brand or container size, filing a quarterly price is not required. Prices will revert back to the base price filed per subsection 6.3.g.3., as noted on the form provided by the Commissioner. For example, a brewer or manufacturer would submit prices, by brands and container sizes, on or before January 1, for the prices to be effective for the quarterly period from April 1 through June 30 (90 day pricing period) and so forth. Upon submission and approval of a new nonintoxicating beer product or new packaging or container sizes for existing nonintoxicating beer product which does not coincide with a quarterly pricing filing date or which occurs during a quarterly price period, the new pricing will be valid until the next quarterly price filing date for which the new price must thereafter be filed as noted this subsection;

6.3.h.1. West Virginia licensed beer distributors or a resident brewer acting in a limited capacity as a distributor shall not sell or deliver nonintoxicating beer to any licensed retailer unless the distributor or a resident brewer acting in a limited capacity as a distributor:

Wholesale prices will be in effect for 90 days or for the balance of the 90 day period of quarter from the effective date. Wholesale prices are effective on the first Sunday of the quarter. If there is no change in pricing for a nonintoxicating beer product, by brand or container size, filing a quarterly price is not required. Wholesale prices will revert back to the base price filed per subparagraph 6.3.h.1.C., as noted on the form provided by the Commissioner. The prices shall be the same for all retail licensees in a geographical area, the geographical area to be no smaller than a county. Upon submission and approval of a new nonintoxicating beer product or new packaging or container sizes for existing nonintoxicating beer product which does not coincide with a distributor's quarterly pricing filing date or which occurs during a distributor's quarterly price period, the new pricing will be valid until the distributor's next quarterly price filing date for which the new price must thereafter be filed as in this subsection. Furthermore, distributor's are permitted to make price adjustments during a distributor's quarterly pricing period in accordance with W. Va. Code §47-11A-1 *et seq.*, and specifically W. Va. Code §47-11A-8, but must provide the Commissioner with 30 days' notice of the price adjustment, all on a form provided by the Commissioner. Any distributor price adjustment per W. Va. 6.3.h.2. In no case shall a distributor or a resident brewer acting in a limited capacity as a distributor, file with the Commissioner prices which would reflect any quantity discounts, tie-in sales, gifts or gift cards, kickbacks, draught line cleaning services or equipment, or other activity that would impact pricing.

6.3.i. No brewer, resident brewer, foreign corporation brewer or other manufacturer may, in any manner either directly or indirectly, own or operate a licensed distributor, except that a resident brewer may act as a distributor in a limited capacity for his or her own product up to 10,000 barrels from such resident brewery or place of manufacture.

13.1.c. For the delivery, upon request, to the office of the Commissioner, the brewer's or resident brewer's records, papers, and accounts, for the purpose of inspecting and auditing the same, or the payment of the expense of an auditor(s) of the Commissioner while inspecting and auditing records in the office of the brewer or resident brewer.

13.2. Brewer or Resident Brewer-Distributor Franchise Agreement, Brand, Line Extensions, Sales, Transfers, Withdrawals, and Termination.

13.2.a. A brewer may not transfer or deliver to a distributor any nonintoxicating beer without first having entered into an equitable franchise agreement with the distributor: Provided, that the franchise agreement must conform to the laws of this state and be approved in writing by the Commissioner. However, any brands sold or transferred pursuant to paragraph 13.2.a.2., shall remain in the selling brewer's franchise distributor network. All of a brewer's nonintoxicating beer products, brands or family of brands, including line extensions that are imported or offered for sale in West Virginia must be listed in the franchise agreement or an amendment to the franchise agreement subject to the Commissioner's approval. A franchise agreement may be amended by mutual written agreement of the parties, as approved by the Commissioner with identical terms and conditions for a brewer and all of its distributors. The Commissioner shall approve: all brewers' franchise agreements, any amendments to franchise agreements and all brewers' franchise distributor networks, which shall be in writing and identical as to terms and conditions with all other franchise agreements between the brewer and its other distributors in this state, a brewer's existing brands, line extensions, and new brands are assigned by the brewer to the correct approved distributors in established and approved territories for the brewer's brands or line extensions; and the registration of the brewer's labels per section 4, and it shall contain a provision in substance or effect as follows:

13.2.a.1. The brewer recognizes that the distributor is free to manage his or her business in the manner the distributor considers best, and that this prerogative vests in the distributor, subject to the provisions of W. Va. Code §11-16-1 *et seq.*, the exclusive right: (i) to establish the distributor's selling prices; (ii) to have the distribution rights to the brands and line extensions of nonintoxicating beer products that are bound by franchise agreements specifying a distributor's assigned territory and that are assigned to a franchise distributor network, and, further, that the distributor may determine which brands and line extensions of nonintoxicating beer products he or she wishes to handle; and to determine the efforts and resources which the distributor will exert to develop and promote the sale of the brewer's nonintoxicating beer products handled by the distributor;

13.2.a.1.A. As a brewer's nonintoxicating beer products, brands, and line extensions shall only be handled by the distributor with a franchise agreement for a certain territory in West Virginia as a part of the brewer's overall franchise distributor network in West Virginia and will not be sold by others in the territory assigned to the distributor, the brewer is dependent upon the distributor alone for the sale of such products in the distributor's assigned territory; and,

13.2.a.1.B. The distributor must therefore competitively price the brewer's nonintoxicating beer products handled by the distributor, devote reasonable effort and resources to the sale of such products and maintain a satisfactory sales level.

13.2.a.1.C. Upon licensure, brewers must select distributors to be included in brewers' franchise distributor network via an approved franchise agreement. A brewer shall only have one franchise distributor network and only one brewer's license. However, a brewer may have nonintoxicating beer products, brands or family of brands, including line extensions, which were acquired from another brewer and continue to utilize the selling brewer's franchise distributor network for those acquired nonintoxicating beer products, brands or family of brands, including line extensions, as specified in paragraph 13.2.a.2. Any changes to the brewer's entity shall bind all the successor entities to the

brewer's approved franchise distributor network. The brewer's franchise agreement with a distributor binds the parties and all successor brewers, unless the parties mutually agree in writing to any change resulting from a sale or transfer of the distributor's business, or unless the brewer terminates the distributor as provided in the West Virginia Code and this rule.

13.2.a.1.D. Resident brewers may select distributors to be included in its franchise distributor network via an approved franchise agreement. A resident brewer shall only have one franchise distributor network and only one resident brewer's license. However, a resident brewer may have nonintoxicating beer products, brands or family of brands, including line extensions, which were acquired from another resident brewer and continue to utilize the selling resident brewer's franchise distributor network for those acquired nonintoxicating beer products, brands or family of brands including line extensions, as specified in paragraph 13.2.a.2. Any changes to the resident brewer's entity shall bind all the successor entities to the resident brewer's approved franchise distributor network. The resident brewer's franchise agreement with a distributor shall bind the parties and all successor resident brewers or brewers, unless the parties mutually agree in writing to any change resulting from a sale or transfer of the distributor's business, or unless the resident brewer terminates the distributor, all as further provided in subsection 13.5, the West Virginia Code and this rule. Unless otherwise specified, a resident brewer must meet the requirements of a brewer specified in section 13 of this rule.

13.2.a.2. A brewer may sell or transfer to another brewer or a resident brewer may sell or transfer to another resident brewer the manufacturing, bottling, or other production rights for the sale of nonintoxicating beer at wholesale. In subdivision 13.2.a., where the term brewer is used the same requirements or authority apply to resident brewer when reading section 13 as a whole, where applicable and where not contradicted by specific statements in this rule. When a sale occurs, the franchised distributor of the selling brewer is entitled to continue distributing the selling brewer's nonintoxicating beer products, brands or family of brands, including line extensions, as authorized in the distributor's existing franchise agreement. The acquiring brewer, any successor brewers or successor entities are all bound by the selling brewer's existing franchise agreement and franchise distributor network and shall continue to market all the selling brewer's nonintoxicating beer products, brands or family of brands, including line extensions, through the franchised distributor as though the acquiring brewer had made the franchise agreement, unless all the parties mutually agree, in writing, to change or cancel the existing franchise agreement and franchise distributor network or the acquiring brewer may terminate the franchise agreement only in accordance with W. Va. Code §11-16-21(b)(2) and paragraph 13.2.b.2 of this rule. The acquiring brewer may continue to distribute any of its other nonintoxicating beer products, brands or family of brands, including line extensions, through its duly authorized franchises in accordance with all other provisions of this section.

13.2.a.3. In the event a brewer withdraws products from the state and subsequently reintroduces the products to the state at a later date, that brewer or any successor brewer shall offer the territorial franchise distribution rights for those withdrawn products to the distributors who had a franchise agreement with the brewer in effect at the time of the original withdrawal of the brewer's nonintoxicating beer products.

13.2.a.4. A brewer must list every nonintoxicating beer brand and line extension it has registered, imports and offers for sale in West Virginia in its approved franchise agreements or in an approved amendment to the franchise agreement.

13.2.a.5. At the time of licensure, a brewer must list all its registered brands to be distributed in West Virginia that it imports and will offer for sale in its franchise agreements and such brands must be appointed to its approved franchise distributor network. A brewer shall file amendments, subject to the Commissioner's approval, to its approved franchise agreements in its approved franchise distributor network for any new brands or line extensions to be imported, distributed, and offered for sale in West Virginia.

13.2.a.6. In the process of investigating and reviewing: (i) any franchise agreement; (ii) any amendments to a franchise agreement; (iii) registration of container labels; (iv) registration of all brands and line extensions; (v) appointment of all brands or line extensions to a brewer's established franchise distributor network and to a distributor's assigned territory; and (vi) appointment of all brands or line extensions as an acquiring brewer, successor brewer and also any successor entities to the selling brewer's established franchise distributor network and to a distributor's assigned territory, the Commissioner may include in his investigation and review, but is not limited to: the brewer, its subsidiaries, parent entities, contracted entities, affiliated entities, associated entities, or other related entities, the brewer's corporate structure, the nature of the relatedness of various entities, ownership, trade names or partial trade names, logos, copyrights, trademarks, or trade design; and product codes, marketing and advertising, promotion, or pricing.

13.2.a.7. The Commissioner shall review franchise agreements and any amendments to verify that brands and line extensions are offered to the correct distributors in a brewer's established franchise distributor network and territories. The Commissioner may approve franchise agreements or amendments to franchise agreements for any brands or line extensions a brewer offers to the correct distributors as determined by the Commissioner, as the facts and circumstances dictate. The Commissioner may deny franchise agreements or amendments to franchise agreements for any brands or line extensions a brewer offers to the incorrect distributors as determined by the Commissioner, as the facts and circumstances dictate.

13.2.a.8. Any nonintoxicating beer product denied as a brand or as a line extension may not be sold in the West Virginia, and further any illegal sale, distribution or transportation of such a product would subject the brewer, distributor or retailer to the penalties in Section 14 of this rule.

13.2.a.9. Any brewer adversely affected by a denial per paragraph 13.2.a.6., subparagraphs (iv) or (v) only, may request, in writing a final written determination from the Commissioner.

13.2.a.10. Per paragraph 13.2.a.9., the brewer, upon receipt of a final determination from the Commissioner, may request a hearing per W.Va. Code §11-16-24 and Section 15 of this rule by filing a written petition and a \$1,000 deposit via certified check or money order to cover the costs of the hearing. Such certified check or money order shall be made payable to the Commissioner. Further, in any brewer requested hearing, the brewer has the burden of proof and the standard of review in the administrative hearing is by a preponderance of the evidence.

13.2.a.11. The provisions of this rule and W. Va. Code §11-16-1 *et seq.* shall be part of all franchise agreements subject to the provisions of W. Va. Code §11-16-21 and may not be altered by the parties.

13.2.b. A Brewer, Resident Brewer, or Distributor Shall Not:

13.2.b.1. Coerce or persuade, or attempt to coerce or persuade, any licensee to enter into any contracts or agreements, whether written or oral, or to take any other action, which will violate or tend to violate any provision of W. Va. Code §11-6-1 *et seq.* or any of the rules, standards, requirements, or orders of the Commissioner; or

13.2.b.2. Cancel, terminate or rescind without due regard for the equities of the brewer or distributor, and without just cause, any oral franchise agreement entered into on or before June 11, 1971, or any written franchise agreement entered into on, before, or subsequent to July 1, 1971.

13.2.b.2.A. The cancellation, termination or rescission of any franchise agreement shall not become effective until 90 calendar days after written notice of the action has been served

contemporaneously on the affected party and the Commissioner by certified mail, return receipt requested or other express mail service with a return receipt requested, by the brewer. The 90 day calendar period shall start on the date received by the affected party and the Commissioner, or whichever date is later. The brewer shall provide the Commissioner with proof of receipt to any affected party.

13.2.b.2.B. The 90 day calendar period and the notice of cancellation, termination or rescission shall not apply if action is agreed to in writing by both the brewer and the distributor involved.

13.2.b.2.C. If a brewer seeks to terminate dealings with a distributor and the distributor does not agree in writing to the termination the brewer must:

13.2.b.2.C.1. Notify the Commissioner and the distributor in writing of the brewer's intent to terminate dealings with the distributor after the 90th day. A distributor must notify the Commissioner and the brewer, in writing and via certified mail, return receipt requested or other express mail service with a return receipt requested, within the 90 day period referenced in subparagraph 13.2.b.2.A., of any objections to the cancellation, termination, or rescission of its franchise agreement. Failure of a distributor to object on or before the 90th day, will authorize the Commissioner to issue an approval of the termination. The Commissioner will consider any timely filed written objections by a distributor prior to determining whether to approve or disapprove a termination and may set a hearing per subparagraph 13.2.b.2.G., to decide this matter;

13.2.b.2.C.2. After receipt of approval of the termination from the Commissioner, offer to purchase all marketable nonintoxicating beer manufactured by the brewer in the possession of the distributor as of the date of termination at the then existing brewery platform price, plus transportation costs; and

13.2.b.2.C.3. Refrain from making any statement, or performing or causing to be performed, any act (other than the termination) detrimental to the distributor or to the distributor's business.

13.2.b.2.D. After receipt from a brewer of a written notice of termination and receipt from the Commissioner of approval of the termination, the distributor must:

13.2.b.2.D.1. Sell to the brewer all marketable nonintoxicating beer, ale, malt beverages or malt coolers manufactured by the brewer and in the possession of the distributor as of the date of the termination at the then existing brewery platform price, plus transportation; and

13.2.b.2.D.2. Refrain from making any statement, or performing or causing to be performed, any act detrimental to the brewer or to the brewer's product or business.

13.2.b.2.E. If a distributor seeks to terminate dealings with a brewer, the distributor must:

13.2.b.2.E.1. Notify the Commissioner and the brewer, in writing, of the distributor's termination of dealings with the brewer;

13.2.b.2.E.2. Offer to sell to the brewer all marketable nonintoxicating beer, ale, malt beverages or malt coolers manufactured by the brewer in the possession of the West Virginia distributor as of the date of the termination at the then existing brewery platform price, not including transportation; and

13.2.b.2.E.3. Refrain from making any statement, or performing or causing to be performed, any act (other than the termination) detrimental to the brewer or to the brewer's product or

business.

13.2.b.2.F. After receipt from a distributor of a written notice of termination, the brewer must:

13.2.b.2.F.1. Purchase from the distributor all marketable nonintoxicating beer manufactured by the brewer and in the possession of the distributor as of the date of the termination at the then existing brewery platform price, not including transportation; and

13.2.b.2.F.2. Refrain from making any statement, or performing or causing to be performed, any act detrimental to the distributor or to the distributor's business.

13.2.b.2.G. Hearing: If the Commissioner has grounds to believe that there has occurred a violation of section 13.2 of this rule by either a brewer or a distributor, the Commissioner may in his or her discretion order a hearing to determine whether or not a violation has occurred. If a hearing is ordered by the Commissioner, the hearing shall be held in the office of the Commissioner within 30 calendar days after the termination in question. Any hearing shall be conducted in the manner described in the W. Va. Code §11-16-1 *et seq.*, and the burden of proving that a violation has been committed rests upon the brewer or distributor, as the case may be, against whom the termination has been effected. The Commissioner shall, within 10 calendar days after the close of any hearing, make his or her determination and issue an appropriate order of findings as to whether or not a violation of this rule has occurred.

13.2.c. A distributor seeking to sell or transfer the distributor's franchise must give to the brewer at least 60 calendar days notice in writing of the impending sale or transfer, the identity of the person, firm, or corporation to whom such sale or transfer is to be made, and any other information the brewer may reasonably request. The notice shall be made upon forms and contain such additional information as the Commissioner prescribes by rule. A copy of the notice shall be forwarded to the Commissioner.

13.2.c.1. The brewer must be given 60 calendar days to approve or disapprove the sale or transfer. If the brewer neither approves nor disapproves of the sale or transfer within 6 calendar days of the date of the receipt of the notice, the sale or transfer shall be considered approved.

13.2.c.2. In the event the brewer disapproves of the sale or transfer, the brewer must give written notice to the distributor, setting forth the reasons for the disapproval.

13.2.c.2.A. The brewer may not unreasonably withhold approval of the sale or transfer. The fact that the prospective franchisee, transferee or purchaser has not had prior experience in the nonintoxicating beer business or beer business is not considered sufficient reason for a valid disapproval; however, lack of experience may be considered in conjunction with other adverse factors in supporting the position of the brewer.

13.2.c.2.B. The brewer may not impose requirements which are more stringent or restrictive than those currently demanded or imposed upon the brewer's other distributors in the state of West Virginia.

13.2.c.3. A copy of the notice of disapproval must be forwarded to the Commissioner and to the prospective franchisee, transferee or purchaser. If the issue is not resolved within 20 calendar days from the date of the disapproval, any of the parties may demand arbitration and shall notify the other parties and the Commissioner of the demand for arbitration.

13.2.c.3.A. The matter must be submitted to a board of three (3) arbitrators in the county in which the distributor's principal place of business is located; the party requesting arbitration shall name one arbitrator. The party receiving the notice for arbitration shall, within 10 calendar days after receipt,

by notice name the second arbitrator.

13.2.c.3.B. If the party receiving notice fails to name the second arbitrator, the appointment may be made by the chief judge of the circuit court of the county in which the distributor's principal place of business is located if such action is requested by the party requesting arbitration in the first instance.

13.2.c.3.C. The two (2) appointed arbitrators must name the third, or if they fail to do so within 10 calendar days after appointment of the second arbitrator, the third arbitrator may be appointed by the chief judge upon request of either party.

13.2.c.4. The arbitrators shall promptly hear and determine the questions submitted pursuant to the procedures established by the American Arbitration Association. The arbitrators shall render the decision with all reasonable speed and dispatch but in no event later than 20 calendar days after the conclusion of evidence. The decision must include findings of fact and conclusion of law and it must be based upon the justice and equity of the matter. The arbitrators shall give each party shall be given notice of the decision.

13.2.c.5. If the decision of the arbitrators approves the proposed sale or transfer, the brewer shall forthwith agree to the same and shall immediately transfer the franchise, unless notice of intent to appeal the decision is given the arbitrators and all other parties within 10 calendar days of notification of the decision. If any party considers himself or herself aggrieved by the decision, that party has a right to bring an appropriate action in circuit court. Any and all notices shall be given to all parties by certified or registered mail, return receipt requested.

13.2.d. The violation of any provision of this subsection by any brewer constitutes grounds sufficient for revocation of the brewer or resident brewer's license. Moreover, any circuit court of the county in which a distributor's principal place of business is located has the jurisdiction and power to enjoin the cancellation, termination, or rescission of any franchise agreement between a brewer and the distributor, and, in granting an injunction to a distributor, the court shall provide that the brewer so enjoined shall not supply the customers or territory of the distributor while the injunction is in effect.

13.3. Brewers, Resident Brewers, and Distributors Interceding for Licensed Retailers: No brewer, resident brewer, or distributor may intercede on behalf of any licensed retailer with respect to the application, approval, refusal, sanctioning, suspension, or revocation of a license.

13.4. Brewers and Distributors Territorial Assignments: All brewers or resident brewers shall submit to the Commissioner, in duplicate, a written description showing the assigned territories by brewers or resident brewers to each distributor. The description shall bear the signature of the brewer, resident brewer, or its authorized agent and the distributor involved. A territorial assignment shall bind the distributor and brewer or resident brewers, and its successors, unless both parties mutually agree in writing to a change in territory as specified in sub-section 13.4.a.

13.4.a. Duly assigned territories shall then become the responsibility of the brewer or resident brewer, and distributor. No distributor shall sell any nonintoxicating beer to any licensed retailer not located within the distributor's assigned territory, and no licensed retailer shall purchase any nonintoxicating beer except from duly authorized distributors in whose assigned territory the licensed retailer is located. The brewer or duly authorized agent is responsible for submitting, by registered mail, to the office of the Commissioner, two (2) copies of any new written description showing any proposed change of territory, including signatures of the brewer or his or her authorized agent or the distributor. The new territorial assignment then becomes effective upon receipt by the parties of the written approval of the Commissioner.

13.5. Resident brewers who are producing his or her own product over 10,000 barrels or who are using the services of licensed distributors must appoint distributors, utilize franchise agreements and be subject to those requirements and violations in the manner provided in the code and this rule. For the purpose of appointing distributors and utilizing and enforcing franchise agreements, a resident brewer must meet and abide by the requirements in the Code and this rule for brewers in that respect.

§176-1-14. Revocation or Suspension of License.

14.1. Upon a determination of the Commissioner that a licensee has violated the provisions of West Virginia Code §11-16-1, *et seq.* acted in such a way as would have precluded initial or renewal licensure, or violated any rule or order promulgated by the Commissioner, the Commissioner may:

14.1.c. Place the licensee on probationary status for a period not to exceed 12 months; and/or,

14.1.d. Impose a monetary penalty not to exceed \$1,000.00 for each violation where revocation is not imposed.

14.2. In addition to the grounds for revocation, suspension or other sanction of a license set forth in this section, conviction of the licensee of any offense constituting a violation of the laws of this state or of the United States relating to nonintoxicating beer or alcoholic liquor shall be mandatory grounds for sanctioning of a license. Conviction of the licensee of any violation of the laws of this state or of the United States relating to: prostitution or the sale, possession, or distribution of narcotics or controlled substances shall be mandatory grounds for revocation of the licensee's license for a period of at least one (1) year.

§176-1-15. Hearing On Sanctioning of License.

15.1. The Commissioner shall not revoke nor suspend any license issued pursuant to W. Va. Code §11-16-1 *et seq.* or impose any civil penalties authorized by the code unless and until a hearing is held after at least 10 calendar days' notice to the licensee of the time and place of the hearing, unless the suspension is for failure to meet or maintain licensing requirements or the suspension is based on the Commissioner's belief that public safety will be adversely affected by the licensee's continued operation, and then the suspension shall be immediate and the licensee must cease all operations. The notice shall contain a statement or specification of the charges, grounds, or reasons for the proposed action, and shall be served upon the licensee as notices under the West Virginia rules of civil procedure or by certified mail, return receipt requested, to the address for which the license was issued. At the time and place designated in the notice, the licensee has the right to appear and produce evidence on his or her behalf, and to be represented by counsel.

15.2. The Commissioner has the authority to summon witnesses in the hearings, and fees of witnesses summoned on behalf of the state in proceedings to sanction licenses shall be treated as a part of the expenses of administration and enforcement of W. Va. Code §11-16-1 *et seq.* The fees shall be the same as those in similar hearings in the circuit courts of this state. The Commissioner may, upon a finding of violation, assess a licensee a sum, not to exceed \$150.00 per violation, to reimburse the Commissioner for expenditures for witness fees, court reporter fees and travel costs incurred in holding the hearing.

15.3. If, at the request of the licensee or on his or her motion, the hearing is continued and does not take place on the day fixed by the Commissioner in the notice, the Commissioner shall suspend the licensee's license until the hearing and decision of the Commissioner. In the event the license is revoked

or suspended, upon hearing before the Commissioner, the licensee may not sell nonintoxicating beer pending an appeal of the Commissioner's decision. Any person continuing to sell nonintoxicating beer after his or her license has been suspended or revoked, is guilty of a misdemeanor and is subject to the penalties provided in W. Va. Code §11-16-19.

15.4. The action of the Commissioner in revoking or suspending a license is subject to review by the Circuit Court of Kanawha County, West Virginia, or in the manner provided in W. Va. Code § 11-16-24. The licensee shall file a petition for review with the circuit court within a period of 30 calendar days from the date of revocation or suspension by the Commissioner. Any licensee obtaining an order for review shall pay the costs and fees incident to transcribing, certifying and transmitting the records to the circuit court. A licensee shall apply to the Supreme Court of Appeals of West Virginia for a writ of error from any final order of the circuit court in any such matter within 30 calendar days from the entry of the final order.

15.5. All hearings regarding the proposed revocation or suspension of a license shall be held in the offices of the Commissioner unless otherwise provided in notice, or agreed upon between the licensee and the Commissioner. When a hearing is held elsewhere than in the Commissioner's office, the licensee may be required to make deposits of the estimated costs of the hearing.

15.6. Whenever any licensee has been convicted of any offense constituting a violation of the laws of this state or of the United States relating to nonintoxicating beer, or alcoholic liquor, and such conviction has become final, the clerk of the court in which the licensee has been convicted shall forward to the Commissioner a certified copy of the order or judgment of conviction if the clerk has knowledge that the person convicted is a licensee, together with certification of the clerk that the conviction is final.

15.7. In the case of a Class B licensee with multiple licensed locations, the Commissioner may, in his or her discretion, revoke, suspend, or otherwise sanction, as provided in W. Va. Code §11-16-23, only the license for the location or locations involved in the unlawful conduct as opposed to all separately licensed locations of the licensee.
