§11-16-9. Amount of license tax; Class A and Class B retail dealers; purchase and sale of nonintoxicating beer permitted; distributors; brewers; brewpubs.

(a) All retail dealers, distributors, brewpubs, brewers, and resident brewers of nonintoxicating beer and of nonintoxicating craft beer shall pay an annual fee to maintain an active license as required by this article. The license period begins on July 1 of each year and ends on June 30 of the following year. If the license is granted for a shorter period, then the license fee shall be computed semiannually in proportion to the remainder of the fiscal year: Provided, That if a licensee fails to complete a renewal application and make payment of its annual license fee in renewing its license on or before June 30 of any subsequent year, then an additional $150 reactivation fee shall be charged and paid by the licensee; the fee may not be prorated or refunded, prior to the processing of any renewal application and applicable full year annual license fee; and furthermore a licensee who continues to operate after the expiration of its license is subject to all fines, penalties, and sanctions available in §11-16-23 of this code, all as determined by the commissioner.

(b) The annual license fees are as follows:

1. Retail dealers shall be divided into two classes: Class A and Class B.
   A. For a Class A retail dealer, the license fee is $150 for each place of business; the license fee for social, fraternal, or private clubs not operating for profit, and which have been in continuous operation for two years or more immediately preceding the date of application, is $150: Provided, That railroads operating in this state may dispense nonintoxicating beer upon payment of an annual license tax of $10 for each dining, club, or buffet car in which the beer is dispensed.

   Class A licenses issued for railroad dining, club, or buffet cars authorize the licensee to sell nonintoxicating beer at retail for consumption only on the licensed premises where sold. All other Class A licensees may sell nonintoxicating beer or nonintoxicating craft beer at retail, as licensed, for consumption on the licensed premises or off the licensed premises. Class A licensees may sell nonintoxicating beer or nonintoxicating craft beer for consumption off the
licensed premises when it is in a sealed original container and sold for personal use, and not for resale. Class A licensees shall provide prepared food or meals along with sealed nonintoxicating beer or nonintoxicating craft beer in the original container or in a sealed growler as set forth for sales and service in §11-16-6d of this code, to a purchasing person who is in-person or in-vehicle picking up prepared food or a meal, and sealed nonintoxicating beer or nonintoxicating craft beer orders-to-go, subject to verification that the purchasing person is 21 years of age or older, and not visibly or noticeably intoxicated, and as otherwise specified in this article.

(B) For a Class B retail dealer, the license fee, authorizing the sale of both chilled and unchilled beer, is $150 for each place of business. A Class B license authorizes the licensee to sell nonintoxicating beer at retail in bottles, cans, or other sealed containers only, and only for consumption off the licensed premises. A Class B retailer may sell to a purchasing person, for personal use, and not for resale, quantities of draught beer in original containers that are no larger in size than one-half barrel for off-premises consumption.

The Commissioner may only issue a Class B license to the proprietor or owner of a grocery store. For the purpose of this article, the term “grocery store” means any retail establishment commonly known as a grocery store or delicatessen, and caterer or party supply store, where food or food products are sold for consumption off the premises, and includes a separate and segregated portion of any other retail store which is dedicated solely to the sale of food, food products, and supplies for the table for consumption off the premises. Caterers or party supply stores shall purchase the appropriate licenses from the Alcohol Beverage Control Administration.

(C) A Class A retail dealer may contract, purchase, or develop a mobile ordering application or web-based software program to permit the ordering and purchase of nonintoxicating beer or nonintoxicating craft beer, as authorized by the licensee’s license. The nonintoxicating beer or nonintoxicating craft beer shall be in a sealed original container or a sealed growler and meet the requirements of §11-16-6d of this code.
(2) For a distributor, the license fee is $1,000 for each place of business.

(3) For a brewer or a resident brewer with its principal place of business or manufacture located in this state and who produces:

(A) Twelve thousand five hundred barrels or less of nonintoxicating beer or nonintoxicating craft beer, the license fee is $500 for each place of manufacture;

(C) More than 25,001 barrels of nonintoxicating beer or nonintoxicating craft beer, the license fee is $1,500 for each place of manufacture.

(4) For a brewer whose principal place of business or manufacture is not located in this state, the license fee is $1,500. The brewer is exempt from the requirements set out in subsections (c), (d), and (e) of this section: Provided, That a brewer whose principal place of business or manufacture is not located in this state that produces less than 25,000 barrels of nonintoxicating beer or nonintoxicating craft beer may choose to apply, in writing, to the commissioner to be subject to the variable license fees of subdivision (3), subsection (b) of this section and the requirements set out in subsections (c), (d), and (e) of this section subject to investigation and approval by the commissioner as to brewer requirements.

(5) For a brewpub, the license fee is $500 for each place of manufacture.

(c) As part of the application or renewal application and in order to determine a brewer or resident brewer’s license fee pursuant to this section, a brewer or resident brewer shall provide the commissioner, on a form provided by the commissioner, with an estimate of the number of nonintoxicating beer or nonintoxicating craft beer barrels and gallons it may produce during the year based upon the production capacity of the brewer’s or resident brewer’s manufacturing facilities and the prior year’s production and sales volume of nonintoxicating beer or nonintoxicating craft beer.
(d) On or before July 15 of each year, every brewer, or resident brewer who is granted a license shall file a final report, on a form provided by the commissioner, that is dated as of June 30 of that year, stating the actual volume of nonintoxicating beer or nonintoxicating craft beer in barrels and gallons produced at its principal place of business and manufacture during the prior year.

(e) If the actual total production of nonintoxicating beer or nonintoxicating craft beer by the brewer or resident brewer exceeded the brewer’s or resident brewer’s estimate that was filed with the application or renewal application for a brewer’s or resident brewer’s license for that period, then the brewer or resident brewer shall include a remittance for the balance of the license fee pursuant to this section that would be required for the final, higher level of production.

(f) Any brewer or resident brewer failing to file the reports required in subsections (c) and (d) of this section, and who is not exempt from the reporting requirements, shall, at the discretion of the commissioner, be subject to the penalties set forth in §11-16-23 of this code.

(g) Notwithstanding subsections (a) and (b) of this section, the license fee per event for a nonintoxicating beer floor plan extension is $50, and the fee may not be prorated or refunded. A licensee shall submit an application, certification that the event meets certain requirements in this code and rules, and any other information required by the commissioner, at least 15 days prior to the event, all as determined by the commissioner.

(h) Notwithstanding subsections (a) and (b) of this section, a Class A retail dealer, in good standing with the commissioner, may apply, on a form provided by the commissioner, to sell, serve, and furnish nonintoxicating beer or nonintoxicating craft beer for on-premises consumption in an outdoor dining area or outdoor street dining area, as authorized by any municipal government or county commission in the which the licensee operates. The Class A retail dealer shall submit to the municipal government or county commission, for approval, a revised floorplan and a request to sell and serve nonintoxicating beer or nonintoxicating craft beer, subject to the commissioner's requirements, in an approved outdoor area. For private outdoor street dining, or...
private outdoor dining, the approved and bounded outdoor area need not be adjacent to the
licensee’s licensed premises, but in close proximity and under the licensee’s control with right of
ingress and egress. For purposes of this section, “close proximity” means an available area within
150 feet of the Class A retail dealer’s licensed premises. A Class A retail dealer may operate a
nonintoxicating beer or nonintoxicating craft beer outdoor dining or outdoor street dining in
conjunction with a temporary private outdoor dining or temporary private outdoor street dining
area set forth in §60-7-8d of this code and temporary private wine outdoor dining or temporary
private wine outdoor street dining set forth in §60-8-32a of this code.

(i) For purposes of this article, “nonintoxicating beer or nonintoxicating craft beer outdoor
dining and nonintoxicating beer or nonintoxicating craft beer outdoor street dining” includes dining
areas that are:

(1) Outside and not served by an HVAC system for air handling services and use outside
air;

(2) Open to the air; and

(3) Not enclosed by fixed or temporary walls; however, the commissioner may seasonally
approve a partial enclosure with up to three temporary or fixed walls.

Any area where seating is incorporated inside a permanent building with ambient air
through HVAC is not considered outdoor dining pursuant to this subsection.

nonintoxicating craft beer for sampling and sales at a fair and festival licensed under §11-16-11
and §11-16-11b of this code, when granted approval by the fair and festival licensee. The
unlicensed brewer or home brewer is exempt from the requirements of registering the brand and
using a distributor and a franchise agreement due to the limited nature of this temporary license.
Enr CS for HB 2025

(b) An unlicensed brewer or home brewer is subject to the limits, taxes, fees, requirements, restrictions, and penalties set forth in this article: Provided, That the commissioner may, by rule or order, provide for certain waivers or exceptions with respect to the provisions, laws, rules, or orders as required by the circumstances of each festival or fair. The commissioner may revoke or suspend any license issued pursuant to this section prior to any notice or hearing, notwithstanding the provisions §11-16-23 and §11-16-24 of this code: Provided, however, That under no circumstances shall the provisions of §11-16-8(a)(1), §11-16-8(a)(2), and §11-16-8(a)(3) of this code, be waived nor shall any exception be granted with respect to those provisions.

(c) A brewer or home brewer, regardless or of its designation in its domicile state, that is duly licensed and in good standing in its domicile state, but unlicensed in this state, or an unlicensed brewer or home brewer that is a resident of West Virginia, shall pay a $150 nonrefundable and non-prorated fee and submit an application for a temporary license on a one-day basis. The temporary special license allows the unlicensed brewer or home brewer to sell nonintoxicating beer or nonintoxicating craft beer to a licensed fair or festival for the sampling and sale of the nonintoxicating beer or nonintoxicating craft beer for on-premises consumption at the licensed fair or festival. The brewer or home brewer shall pay all taxes due and the appropriate markup on the nonintoxicating beer or nonintoxicating craft beer.

(2) The unlicensed brewer or home brewer temporary license application shall include, but is not limited to, the person or entity’s name, address, taxpayer identification number, and location; if the unlicensed brewer or home brewer is from out of state, a copy of its licensure in its domicile state; a signed and notarized verification that it produces 25,000 barrels or less of nonintoxicating beer or nonintoxicating craft beer per year; a signed and notarized verification that it is in good standing with its domicile state; copies of its federal certificate of label approvals and a certified lab alcohol analysis for the nonintoxicating beer or nonintoxicating craft beer it plans to sell to a fair or festival licensed under §11-16-11 and §11-16-11b of this code; and any other information required by the commissioner.
(3) The applicant shall include in its application a list of all nonintoxicating beers or nonintoxicating craft beers it proposes to provide, in sealed containers, to a licensed fair or festival for sampling or sale so that the commissioner may review them in the interest of public health and safety. Once approved, the submitted nonintoxicating beer or nonintoxicating craft beer list creates a temporary nonintoxicating beer or nonintoxicating craft beer brand registration for up to two days at any event licensed under §11-16-11 and §11-16-11b of this code, for no additional fee.

(4) An applicant that receives this temporary license for any event licensed under §11-16-11 and §11-16-11b of this code shall provide a signed and notarized agreement acknowledging that it is the applicant’s duty to pay all municipal, local, and sales taxes applicable to the sale of nonintoxicating beer or nonintoxicating craft beer in West Virginia.

The license fee covers up to two separate one-day licenses for the event before an additional fee is required. Any applicant desiring to attend more than four events per year or otherwise operate in West Virginia shall seek appropriate licensure as a brewery or resident brewery in this state.

(6) Notwithstanding the provisions of this article and requirements for licensure, brand registration, franchise requirements, payment of beer barrel tax, and the appointment of a distributor franchise network, this temporary special license for an event licensed under §11-16-11 and §11-16-11b of this code, once granted, permits the licensee to operate in this limited capacity only at the approved specific, events licensed under §11-16-11 and §11-16-11b of this code, subject to the limitations noted in this section.

(7) The applicant shall also apply for and receive a nonintoxicating beer or nonintoxicating craft beer transportation permit in order to legally transport nonintoxicating beer or nonintoxicating
craft beer in the state as required by §11-16-10(f) of this code: Provided, That the commissioner
may not charge or collect an additional fee for a nonintoxicating beer or nonintoxicating craft beer
transportation permit to an applicant seeking a temporary special license under this section.

(8) The licensee is subject to all applicable violations and/or penalties under this article
and related legislative rules that are not otherwise excepted by this section: Provided, That the
commissioner may by rule or order provide for certain waivers or exceptions with respect to the
provisions of this code, rules, or orders required by the circumstances of each festival or fair. The
commissioner may revoke or suspend any license issued pursuant to this section prior to any
notice or hearing notwithstanding the provisions of §11-16-23 and §11-16-24 of this code:
Provided, however, That under no circumstances shall the provisions of §11-16-8(a)(1), §11-16-
8(a)(2), and §11-16-8(a)(3) of this code, be waived nor shall any exception be granted with respect
to those provisions.

The licensees may keep and maintain on their premises a supply of wine in quantities appropriate for the conduct of operations thereof. Any sale of wine is subject to all restrictions set forth in §60-8-20 of this code. A private wine
restaurant may also be licensed as a Class A retail dealer in nonintoxicating beer as provided by §11-16-1 et seq. of this code.

(k) With respect to subsections (h), (i), (j), (o), and (p) of this section, the commissioner shall propose rules for promulgation in accordance with §29A-1-1 et seq. of this code, including, but not limited to, the form of the applications and the suitability of both the applicant and location of the licensed premises.

corporations and associations allowing the sale and serving of wine, and may, if applicable, also
allow the charitable auctioning of certain sealed bottles of wine for off-premises consumption only,
when raising money for athletic, charitable, educational, or religious purposes. “Auction or
auctioning”, for the purposes of this subsection, means any silent, physical act, or verbal bid
auction, whether or not the auction requires in-presence bidding or online Internet-based
electronic bidding through a secure application or website, but shall not include any action in
violation of §47-20-10, §47-20-11, or §61-10-1 et seq. of this code. The license application shall
contain information required by the commissioner and shall be submitted to the commissioner at
least 30 days prior to the event. Accompanying the license application, the applicant shall submit

event will be donated directly to the nonprofit corporation or organization. Wines used during
these events may be donated by, or purchased from, a licensed retailer, a distributor, winery, or
a farm winery. A licensed winery or farm winery which is authorized in writing by a representative
of the duly organized, nonprofit corporation or association which has obtained the one-day
license; is in good standing with the state; and obtains the commissioner’s approval prior to the
one-day license event may, in conjunction with the one-day licensee, exhibit, conduct
complimentary tastings, or sell samples not to exceed three, two-fluid ounce tastings or samples

(q)(1) In addition to the authorization granted to licensed wineries and farm wineries in subsections (h) and (p) of this section, an unlicensed winery, regardless of its designation in another state, but that is duly licensed in its domicile state, may pay a $150 nonrefundable and nonprorated fee and submit an application for temporary licensure on a one-day basis for temporary sampling and sale of wine in sealed containers for off-premises consumption at a special one-day license nonprofit event.

(2) The application shall include, but is not limited to, the person or entity’s name, address, taxpayer identification number, and location; a copy of its licensure in its domicile state; a signed and notarized verification that it produces 50,000 gallons or less of wine per year; a signed and notarized verification that it is in good standing with its domicile state; copies of its federal certificate of label approvals and certified lab alcohol analysis for the wines it desires to temporarily provide samples and temporarily sell wine in sealed containers for off-premises consumption at a special one-day license for a nonprofit event issued under subsection (p) of this section; and any other information as the commissioner may reasonably require.

(4) An applicant winery that receives this temporary special one-day license for a nonprofit event shall provide the commissioner a signed and notarized written agreement acknowledging that the applicant winery understands its responsibility to pay all municipal, local, and sales taxes applicable to the sale of wine in West Virginia.
An application must be submitted per special one-day license for a nonprofit event the
applicant winery desires to attend, and the license fee shall cover up to two special one-day
license for nonprofit events before an additional fee would be is required. In no circumstance
would the winery be permitted to attend more than four special one-day licensed events. Any
applicant or unlicensed winery desiring to attend more than four special one-day license for
nonprofit events per year or otherwise operate in West Virginia would need to seek appropriate
licensure as a winery or a farm winery in this state.

Notwithstanding the provisions of this article and requirements for licensure, wine
brand registration, payment of wine liter tax, and the winery’s appointment of suppliers and
distributors, this temporary special one-day license for a nonprofit event, once granted, permits a
winery to operate in this limited capacity only at the approved specific, special one-day license for
a nonprofit event subject to the limitations contained in this section.

The applicant winery shall also apply for and receive a transportation permit to legally
transport wine in the state per §60-6-12 of this code.

The commissioner may issue special licenses to heritage fairs and festivals allowing
the sale, serving, and sampling of wine from a licensed farm winery. The license application shall
contain information required by the commissioner and shall be submitted to the commissioner at

from a licensed farm winery. Under no circumstances may the provision of §60-8-20(c) of this
code be waived nor may any exception be granted with respect thereto. The commissioner shall

(3) The commissioner may propose legislative rules for promulgation in accordance with §29A-3-1 *et seq.* of this code to implement this subsection.

commissioner upon the licensee; procedure for appealing any final order of the

(a) The commissioner may on his or her own motion, or shall on the sworn complaint of
any person, conduct an investigation to determine if any provisions of this article or any rule
promulgated or any order issued by the commissioner has been violated by any licensee. After
investigation, the commissioner may impose penalties and sanctions as set forth in this section.

(1) If the commissioner finds that the licensee has violated any provision of this article or
any rule promulgated or order issued by the commissioner, or if the commissioner finds the
existence of any ground on which a license could have been refused, if the licensee were then

(c) An applicant or licensee, as the case may be, adversely affected by the order has a right to a hearing before the commissioner if a written demand for hearing is served upon the commissioner within 10 days following the receipt of the commissioner’s order by the applicant or licensee. Timely service of a demand for a hearing upon the commissioner operates to suspend the execution of the order with respect to which a hearing has been demanded, except an order suspending a license under the provisions of §60-8-29 of this code. The person demanding a hearing shall give security for the cost of the hearing in a form and amount required by the commissioner. §60-8-29. Affidavit of compliance required of distributors and suppliers.

Each applicant for a distributor’s license or a supplier’s license shall furnish at the time of application an affidavit of compliance with federal and state laws regarding tied house laws, trade practice requirements, and furnishing things of value requirements set forth in the code and the rules. The commissioner shall suspend the licenses of licensed distributors and suppliers upon 10 days written notice by the commissioner, for failing to pay their taxes to the Tax Commissioner or who are not otherwise in good standing with the commissioner and other state agencies. If the licensed distributors and suppliers fail to pay their taxes or otherwise fail to take corrective actions to put the licensed distributors and suppliers in good standing within 30 days from the date of suspension of the licensee’s license, then the commissioner shall revoke the licensee’s license pursuant to the requirements of this article.

For private wine outdoor street dining or private wine outdoor dining the approved and bounded outdoor area need not be adjacent to the licensee’s licensed premises, but in close proximity and under the licensee’s control and with right of ingress and egress. For purposes of this section, “close proximity,” means an available area within 150 feet of the licensee’s licensed premises.

(c) This private wine outdoor dining or private wine outdoor street dining may be operated in conjunction with a private outdoor dining or private outdoor street dining area set forth in §60-7-8d of this code, and nonintoxicating beer or nonintoxicating craft beer outdoor dining or outdoor street dining set forth in §11-16-9 of this code.

ARTICLE 8A. MANUFACTURE AND SALE OF HARD CIDER.

“Hard Cider” means a type of wine that is derived primarily from the fermentation of apples, pears, peaches, honey, or other fruit, or from apple, pear, peach, or other fruit juice concentrate and water; contains no more than 0.64 grams of carbon dioxide per 100 milliliters; contains at least one half of one percent and less than 12 and one half percent alcohol by volume; and is advertised, labeled, offered for sale, or sold, as hard cider or cider containing alcohol, and not as a wine, wine product, or as a substitute for wine.

(a) Except as stated in this article, all wine licenses and other wine requirements set forth in §60-8-1 et seq., §60-4-3b, and §60-6-2, of this code, shall apply to the manufacture, distribution, or sale of hard cider. Any person or licensee legally authorized to manufacture, distribute, or sell wine may manufacture, distribute, or sell hard cider in the same manner and to the same persons, and subject to the same limitations and conditions, as such license or legal right authorizes him or her to manufacture, distribute, or sell wine. No additional wine license fees shall be charged for the privilege of manufacturing, distributing, or selling hard cider.
(b) Except as stated in this article, all hard cider distributors are bound by all wine
distribution requirements set forth in §60-8-1 et seq., §60-4-3b, and §60-6-2, of this code which
shall apply to distribution of hard cider. Any person or licensee legally authorized to distribute hard
cider may distribute hard cider in the same manner and to the same persons, and subject to the
same limitations and conditions, as a license or legal right would authorize him or her to distribute
wine. An additional hard cider license fee shall not be charged for the privilege of distributing hard
cider.

§60-8A-3. Taxation; reporting; deposits into Agriculture Development Fund; penalties for
failure to file returns; application of state tax law; rulemaking authority.

(a) There is hereby levied and imposed on all hard cider sold on and after July 1, 2021,
by wineries, farm wineries, and suppliers to distributors, and including all hard cider sold and sent
to persons 21 years of age or older who reside in West Virginia from direct shippers, a tax of 22.6
cents per gallon, in like ratio for any partial gallon or other unit of measure: Provided, That
wineries, farm wineries, and suppliers eligible for federal tax credits in 26 U.S.C. 5041(c)(1) on
hard cider are eligible for the credits in this state against the tax on hard cider. In the case of a
person who produces not more than 250,000 wine gallons of hard cider during the calendar year,
there shall be allowed as a credit against any tax imposed by this section of 5.6 cents per wine
gallon on the first 100,000 wine gallons of hard cider which are removed during such year for
consumption or sale and which have been produced at qualified facilities in the United States.
That credit shall be reduced by one percent for each 1,000 wine gallons of hard cider produced
in excess of 150,000 wine gallons of hard cider during the calendar year. For the purposes of
this section, the term “wine gallon” means a United States gallon of liquid measure equivalent to
the volume of 231 cubic inches. On lesser quantities, the tax shall be paid proportionately
(fractions of less than one-tenth gallon being converted to the nearest one-tenth gallon, and five-
hundredths gallon being converted to the next full one-tenth gallon). Hard cider is exempt from
the liter tax established under §60-8-4 of this code.
(b) The Tax Commissioner shall deposit, at least quarterly, after deducting the amount of any refunds lawfully paid and any administrative fees authorized by this code, the taxes for the hard cider, pursuant to this section, in the Agriculture Development Fund established by §19-2-12 of this code.

(c) Before the 16th day of each month thereafter, every winery, farm winery, supplier, distributor, and direct shipper shall make a written report under oath to the Tax Commissioner and the commissioner showing the identity of the purchasing person, the quantity, label, and alcoholic content of hard cider sold by the winery, farm winery, and supplier to West Virginia distributors or the direct shipper to persons 21 years of age or older who reside in West Virginia during the preceding month and at the same time shall pay the tax imposed by this article on the hard cider sold to the distributor or to persons 21 years of age or older who reside in West Virginia during the preceding month to the Tax Commissioner.

The reports shall contain other information and be in the form required by the Tax Commissioner. For purposes of this article, the reports required by this section shall be considered tax returns covered by the provisions of §11-10-1 et seq. of this code. Failure to timely file the tax returns within five calendar days of the 16th day of each month subjects a winery, farm winery, supplier, distributor, and direct shipper to penalties under §60-8-18 of this code.

(d) No hard cider imported, sold, or distributed in this state or sold and shipped to this state by a direct shipper shall be subject to more than one per-gallon tax on hard cider.

(e) Administrative procedures. — Each and every provision of the West Virginia Tax Procedure and Administration Act set forth in § 11-10-1 et seq. of this code, applies to the taxes imposed pursuant to this section, except as otherwise expressly provided in this article, with like effect as if that act were applicable only to the taxes imposed by this section and were set forth in extenso in this article.

(f) Criminal penalties. — Each and every provision of the West Virginia Tax Crimes and Penalties Act set forth in § 11-9-1 et seq. of this code applies to the taxes imposed pursuant to
this section with like effect as if that act were applicable only to the taxes imposed pursuant to this article and were set forth in extenso in this article.

(g) The Tax Commissioner may propose legislative rules for legislative approval, pursuant to §29A-3-1 et seq. of this code, to implement this section.

§60-8A-4. Fruit sources; phase in; applications.

(a) On and after July 1, 2021, pursuant to §60-3-25 of this code, any farm winery attempting to manufacture hard cider may apply to the Agriculture Commissioner with a copy to the commissioner showing its inability to obtain 75 percent of the apples, pears, peaches, honey, or other fruits necessary to produce its hard cider from within this state. The Agriculture Commissioner may issue a permit to the applicant to import such fruit, honey, or fruit juice concentrate in an amount determined necessary by the Agriculture Commissioner to allow the farm winery to produce hard cider within the percentage established by §60-1-5a of this code.

(b) The burden of proof is on the applicant to show that apples, pears, peaches, honey, or other fruits, of the type normally used by the licensee are not available from any other source within the State of West Virginia. The commissioner shall not consider an application for a permit under this section unless it is accompanied by written findings by the Agriculture Commissioner in support of the application.

(c) Notwithstanding any provision in §60-3-25 of this code, to the contrary, any permit issued under this section is effective for a period of up to three years: Provided, That the applicant files an annual statement of necessity, supported by written findings from the Agriculture Commissioner, with the commissioner. After the five-year permit issued pursuant to this section has expired, the applicant shall submit any subsequent application for a permit pursuant to §60-3-25 of this code.

§60-8A-5. Winery or farm winery licensee's authority to manufacture, sell, and provide complimentary samples; growler sales; advertisements; taxes; fees; rulemaking.

or farm winery’s licensed premises for consumption off of the licensed premises only in approved

samples as permitted in subsection (b) of this section. “Wine Growler” has the meaning set forth
in §60-8-6c(g) of this code.

(b) Complimentary samples. — A licensed winery or farm winery with its principal place of
business or manufacturing facility located in the State of West Virginia may offer complimentary
samples of hard cider manufactured at the winery’s or farm winery’s principal place of business
or manufacturing facility located in the State of West Virginia. The complimentary samples may
be no greater than two fluid ounces per sample per patron, and a sampling shall not exceed six
complimentary two-fluid ounce samples per patron per day. A licensed winery or farm winery
providing complimentary samples shall provide complimentary food items to the patron
consuming the complimentary samples; and prior to any sampling, verify, using proper
identification, that the patron sampling is 21 years of age or older and that the patron is not
noticeably or visibly intoxicated.

(c) Retail sales. — Every licensed winery or farm winery under this section shall comply
with all the provisions applicable to wine retailers when conducting sales of hard cider and is
subject to all applicable requirements and penalties.

(d) Payment of taxes and fees. — A licensed winery or farm winery under this section shall
pay all taxes and fees required of licensed wine retailers, in addition to any other taxes and fees
required, and meet applicable licensing provisions as required by law and by rule of the
commissioner.
(e) **Advertising.** — A licensed winery or farm winery may advertise a particular brand or brands of hard cider produced by the licensed winery or farm winery and the price of the hard cider subject to state and federal requirements or restrictions. (g) **Fee.** — There is no additional fee for a licensed winery or farm winery authorized under §60-8-6c of this code, to sell wine growlers, if a winery or farm winery only desires to sell hard cider in the wine growler, and no other wine, then the annual nonprorated and nonrefundable license fee is $50.

The West Virginia Alcoholic Beverage Control Commissioner may propose legislative rules for legislative approval, pursuant to §29A-3-1 et seq. of this code, to implement this article.
