regulate, control, and support the brewing, manufacturing, distribution, sale, consumption,
transportation, and storage of wine and its industry in this state to protect the public health,
welfare, and safety of the citizens of this state, and promote hospitality and tourism. Therefore, this section authorizes a licensed winery or farm winery with its principal place of business and manufacture located in this state to have certain abilities to promote the sale of wine manufactured in this state for the benefit of the citizens of this state, the state’s growing wine industry, and the state’s hospitality and tourism industry, all of which are vital components for the state’s economy.
