CHAPTER 11. TAXATION.

ARTICLE 16. NONINTOXICATING BEER.

§11-16-3. Definitions.

For the purpose of this article, except where the context clearly requires differently:

(1) "Brand" means a nonintoxicating beer product manufactured, brewed, mixed, concocted, blended, bottled, or otherwise produced, imported, or transshipped by a brewer or manufacturer, the labels of which have been registered and approved by the commissioner, that is being offered for sale or sold in West Virginia by a distributor who has been appointed in a valid franchise agreement or a valid amendment thereto.

(2) "Brewer" or "manufacturer" means any person manufacturing, otherwise producing, importing, or transshipping nonintoxicating beer or nonintoxicating craft beer for sale at wholesale
to any licensed distributor. Brewer or manufacturer may be used interchangeably throughout this article. A brewer may obtain only one brewer’s license for its nonintoxicating beer or nonintoxicating craft beer.

(3) "Brewpub" means a place of manufacture of nonintoxicating beer or nonintoxicating craft beer owned by a resident brewer, subject to federal and state regulations and rules, a portion of which premises is designated for retail sales of nonintoxicating beer or nonintoxicating craft beer by the resident brewer owning the brewpub.

(4) "Class A retail license" means a retail license permitting the retail sale of liquor at a freestanding liquor retail outlet, licensed pursuant to §60-1-1 et seq. of this code.

(6) "Commissioner" means the West Virginia Alcohol Beverage Control Administration Commissioner.

(7) "Distributor" means and includes any person jobbing or distributing nonintoxicating beer or nonintoxicating craft beer to retailers at wholesale and whose warehouse and chief place of business is within this state. For purposes of a distributor only, the term "person" means and includes an individual, firm, trust, partnership, limited partnership, limited liability company, association, or corporation. Any trust licensed as a distributor or any trust that is an owner of a distributor licensee, and the trustee or other persons in active control of the activities of the trust relating to the distributor license, is liable for acts of the trust or its beneficiaries relating to the distributor license that are unlawful acts or violations of §11-16-1 et seq. of this code notwithstanding the liability of trustees in §44D-10-1 et seq. of this code.

(8) "Franchise agreement" means the written agreement between a brewer and a distributor that is identical as to terms and conditions between the brewer and all its distributors, which has been approved by the commissioner. The franchise agreement binds the parties so that a distributor, appointed by a brewer, may distribute all the brewer’s nonintoxicating beer products,
brands, or family of brands imported and offered for sale in West Virginia, including, but not limited
to, existing brands, line extensions, and new brands all in the brewer's assigned territory for the
distributor. All brands and line extensions being imported or offered for sale in West Virginia must
be listed by the brewer in the franchise agreement or a written amendment to the franchise
agreement. A franchise agreement may be amended by mutual written agreement of the parties
as approved by the commissioner with identical terms and conditions for a brewer and all its
distributors. Any approved amendment to the franchise agreement becomes a part of the
franchise agreement. A brewer and a distributor may mutually agree in writing to cancel a
franchise agreement. A distributor terminated by a brewer as provided in this article and the
promulgated rules no longer has a valid franchise agreement. If a brewer has reached an
agreement to cancel a distributor or has terminated a distributor, then a brewer may appoint a
successor distributor who accedes to all the rights of the cancelled or terminated distributor.

(9) "Franchise distributor network" means the distributors who have entered into a binding
written franchise agreement, identical as to terms and conditions, to distribute nonintoxicating
beer products, brands, and line extensions in an assigned territory for a brewer. A brewer may only

manufacturing, bottling, or other production rights for the sale of nonintoxicating beer at wholesale
from a selling brewer, as specified in §11-16-21(a)(2) of this code, shall continue to maintain and

purposes of off-premise sales only of nonintoxicating beer or nonintoxicating craft beer for personal consumption not on a licensed premise and not for resale. The nonintoxicating beer or nonintoxicating craft beer served and sold in a sealed growler may include ice or water mixed with the nonintoxicating beer or nonintoxicating craft beer to create a frozen nonintoxicating beer or nonintoxicating craft beer beverage. Notwithstanding any other provision of this code to the contrary, a securely sealed growler is not an open container under federal, state, and local law. A growler with a broken seal is an open container under federal, state, and local law unless it is located in an area of the motor vehicle physically separated from the passenger compartment. The secure sealing of a growler requires the use of a tamper-evident seal, security tape, or other material, as approved by the commissioner, placed on or over the growler’s opening, which seal, security tape or other material is clearly marked with the date of the secure sealing by the authorized licensee who is selling the growler.

In determining whether a nonintoxicating beer product is a line extension, the commissioner may consider, but is not limited to, the following factors: Name or partial name; trade name or partial trade name; logos; copyrights; trademarks or trade design; product codes; advertising promotion; or pricing.

(a) A person shall not be licensed in more than one capacity under the terms of this article, and there shall be no connection whatsoever between any retailer, distributor, resident brewer, or brewer, and a person shall be interested, directly or indirectly, through the ownership of corporate stock, membership in a partnership, or in any other way in the business of a retailer, if the person is at the same time interested in the business of a brewer, resident brewer or distributor. A resident brewer may act as distributor in a limited capacity for his or her own product from the resident brewery or place of manufacture or bottling, but a resident brewer, is not permitted to act as a distributor as defined in §11-16-3 of this code: Provided, That nothing in this article may prevent a resident brewer from using the services of licensed distributors as specified in this article. A resident brewer or distributor may sell to a patron for personal use and not for resale, quantities of draught beer in original containers that are no larger in size than one-half barrel for off-premises consumption. Any applicant seeking licensure as a resident brewer in this state (1) must meet all requirements for licensure as a resident brewer in this state, (2) must be in good standing in all other jurisdictions wherein the applicant is licensed as a brewer or resident

(c) Notwithstanding subsections (a) and (b) of this section, a brewpub may offer for retail sale nonintoxicating beer or nonintoxicating craft beer so long as the sale of the nonintoxicating beer or nonintoxicating craft beer is limited to the brewpub’s licensed premises, except as provided in §11-16-6b of this code.
