General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.

You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions.

You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. §175-6-3. Conversion to Bailment.

3.1. During the time the ABCC converts to a bailment warehousing method, the inventory will consist of product owned by the ABCC and product owned by suppliers.

3.1.1. When conversion commences on July 3, 1990, and at all times subsequent thereto, ABCC inventory will be used first; when the ABCC inventory is insufficient, inventory provided by suppliers will be used.

3.1.2. The ABCC inventory records will at all times maintain a separate identity from all suppliers' inventory.

3.1.3. As the ABCC inventory is depleted, supplier inventory will be increased to the pre-approved level.

3.2. Each supplier is required to furnish the ABCC with the name, address, and phone number of the principal individual who will represent such supplier in all dealings with the ABCC that pertain to bailment.

3.3. Each supplier is required to provide the ABCC with certified copies of such supplier's applicable Bureau of Alcohol, Tobacco and Firearms permit and the Internal Revenue Service Special Tax Permit (form 11).

3.4. Each supplier is required to complete annually the "Bailment Authorization Form" provided by ABCC. This form grants ABCC the authority to effect the removal of the supplier's product from bailment on a shipment-by-shipment or continuing basis.

3.5. Each supplier is required to execute the "HOLD HARMLESS AGREEMENT" provided by ABCC. This agreement states that the supplier will hold ABCC harmless for any losses incurred to the supplier's inventory due to fire, water, or other damage by the elements while the supplier's inventory is stored at the ABCC warehouse. ABCC will not cover costs or carry insurance for

such losses.

3.6. All merchandise received from a given supplier will be converted to bailment at the time of receipt at the ABCC warehouse.

3.7. Price changes may occur no more often than four (4) times per twelve (12) month period. New price quotation forms must be submitted at least sixty (60) days in advance of the price increase effective date in order that the Wholesale Spirits Catalog may be amended. Effective dates of the spirits catalog are February 1, May 1, August 1, and November 1. Failure to provide the required advance notice of price changes may result in delisting certain of the suppliers products. Additionally, the price change may not be instituted until the spirits catalog is next published.

3.8. ABCC will provide suppliers with a one (1) year sales history report. This report will list sales, by month, of each of the supplier's products that have been sold by ABCC.

3.9. ABCC will provide suppliers with an initial maximum inventory level for each code. Requests for changes in inventory levels must be made to authorized ABCC personnel who must agree to such changed levels before merchandise which will exceed the maximum inventory level is ordered for placement into bailment storage in the warehouse.

3.10. ABCC will provide suppliers with a current inventory status report. This report will indicate current ABCC inventory and licensed retailer on-order quantities for each item. This report will assist suppliers in determining bailment inventory orders.

§175-6-4. Delivering Merchandise.

4.1. Suppliers will be responsible for determining the quantities of merchandise to be delivered to the ABCC warehouse for bailment storage. ABCC requires that suppliers deliver product in multiples of pallet quantities only. Effective January 1, 1991, product will not be unloaded if it is not shipped and unloaded on

pallets.

4.2. Suppliers are required to notify ABCC warehouse personnel at least forty-eight (48) hours in advance of shipment of quantities, by code, of product being delivered to the ABCC Warehouse. The supplier will be provided with an unloading reference number at the time ABCC is notified of shipment.

4.3. The shipment will not be accepted if the quantities to be delivered will place the warehouse inventory of the product being delivered over the maximum level. The supplier will be notified of such nonacceptance within 24 hours of original notification.

4.4. The supplier will be responsible for obtaining the freight carrier. The supplier must provide the carrier with the ABCC unloading reference number.

4.5. The carrier is required to call the ABCC Warehouse to obtain an unloading appointment time. The carrier must indicate the supplier and the ABCC unloading reference number when scheduling the appointment. Carriers should call at least one (1) working day in advance to arrange the unloading time. Trucks arriving without appointments and reference numbers will not be unloaded.

4.5.1. In general, deliveries will not be unloaded from 4:00 p.m. to 7:00 a.m. Monday through Friday, nor at all on Saturdays, Sundays or legal State holidays including primary and general election days.

§175-6-5. Unloading and Storage.

5.1. ABCC Warehouse personnel will unload all products. Carrier drivers are required to witness the unloading.

5.2. ABCC Warehouse personnel will complete a warehouse unloading report form. This report will indicate by code the number of cases unloaded. Shortages and damage will be noted. The driver and ABCC warehouse representative will sign the unloading report form

and the Bill of Lading or Delivery Receipt.

5.3. ABCC will provide the supplier with a copy of the warehouse unloading report form and the Bill of Lading or Delivery Receipt. The supplier and the carrier must resolve any shipping discrepancies from the report.

5.4. ABCC will use the warehouse unloading report form to enter information into the computer inventory files. ABCC will be responsible for the accuracy and maintenance of the computer inventory files.

5.5. Only full cases of salable product will be placed into storage for the supplier. Salable is defined as product that can be sold at full retail price. Cases that are short bottles, damaged, or have broken bottles will be unloaded into a vendor holding area. The supplier will be notified and disposition instructions requested. The supplier may send a representative to the warehouse to physically process the reported damage or request that ABCC personnel provide the extra service. ABCC will charge the supplier for extra case handling services.

5.6. Partial Cases of Salable Product:

5.6.1. The supplier may request that partial cases of salable product be transferred to vendor storage for eventual purchase by retail liquor stores.

5.6.2. As an alternative, the supplier must furnish disposition instructions within thirty (30) days subsequent to when such instructions were requested by the ABCC. If the supplier fails to furnish instructions, ABCC may sell the product and retain the proceeds to cover handling costs. ABCC personnel will adjust the computer bailment inventory records. This procedure does NOT constitute a purchase of bailment inventory by ABCC.

5.7. Salvageable Product:

5.7.1. Salvageable product will be retained in the supplier holding area for a period of thirty (30) days. Salvageable product is defined

as product that is slightly damaged and cannot be sold at full retail price. If suppliers fail to furnish disposition instructions within the thirty (30) days, ABCC may sell such products and retain the proceeds to cover handling costs. ABCC personnel will adjust the computer bailment inventory records. This procedure does NOT constitute a purchase of bailment inventory by ABCC.

5.8. Unsalable Merchandise:

5.8.1. Unsalable product will be retained in the supplier holding area for a period of thirty (30) days. Unsalable product is defined as product that is not fit for human consumption. If the supplier fails to furnish ABCC with disposition instructions within the thirty (30) day time frame, ABCC may destroy the product and invoice the supplier for handling charges to cover the costs incurred. ABCC personnel will adjust the computer bailment inventory records. This procedure does NOT constitute a purchase of bailment inventory by ABCC.

5.9. General Comments: Merchandise in the ABCC warehouse is the property of the supplier. ABCC will assume responsibility for any non-concealed breakage or shortages that are incurred while bailment inventory is stored in the warehouse; however, ABCC will not cover any losses arising from fire, water, or other damage by the elements.

§175-6-6. Use of Bailment Inventory.

6.1. ABCC maintains a computerized inventory system that keeps a perpetual listing of the inventory in the various warehouse locations. This computerized system is designed to use the ABCC inventory to fill retail liquor store orders before product is requested from the supplier's bailment stock.

6.2. When the ABCC inventory no longer contains a requested code, the computer will issue daily an automatic withdrawal order for each code that is needed from the supplier's inventory. This withdrawal order is printed by code, supplier and in full case quantities. The withdrawal order is

generated one (1) working day in advance of shipment of the product to the retail liquor store. ABCC will take possession of the product when it is picked from bailment stock in preparation for shipment.

6.3. At the end of the daily activity on the 15th and last day of each month, the computer will generate for the time period covered a bailment purchase order/receiving report. This report is a compilation of the items transferred to ABCC possession through the use of the automatic withdrawal requests and the manual warehouse transfer transactions. It also provides a recap of all credit memos and other chargebacks that have been processed during this time. Detailed reconciliation of product transfer during each day of the report period will be a part of this report. See Section 15 of these regulations for additional information.

6.4. For most suppliers, the report described in Section 6.3 will be transmitted by an electronic mail transfer to the supplier's business location. This electronic transfer of information will support an electronic fund transfer by the West Virginia State Treasurer to the supplier's preauthorized bank account. Except for certain fiscal constraints in June of each year, fund transfer will occur within three to five working days of the close of the semi-monthly report period.

§175-6-7. Defective Merchandise and Concealed Damage or Shortage.

7.1. Defective alcoholic liquors.

7.1.1. ABCC owned alcoholic liquors.

7.1.1.1. Alcoholic liquors owned by ABCC will be returned to the supplier if found to be defective or unsalable.

a. Defective alcoholic liquors located in retail liquor stores will be processed in accordance with the procedure provided in 175 C.S.R. 1, §4.9.

b. Defective alcoholic liquors located in the ABCC warehouse will be disposed

of in accordance with instructions provided by the supplier. Such disposition instructions must be provided by the supplier within thirty (30) days after the supplier is notified of the defective alcoholic liquors. ABCC may destroy the defective alcoholic liquors and invoice the supplier for handling charges if the supplier fails to provide disposition instructions.

7.1.2. Bailment alcoholic liquors.

7.1.2.1. Defective alcoholic liquors available through the bailment method of warehousing must be removed from the ABCC warehouse.

7.1.2.2. Defective alcoholic liquors located in retail liquor store and which were obtained from supplier bailment stock must be processed in accordance with the procedures provided in 175 C.S.R. 1, §4.9.

a. ABCC personnel are authorized to direct the return of defective alcoholic liquors from retail liquor stores to the ABCC warehouse and to invoice suppliers for the handling cost.

b. Because retail liquor stores will be credited by the ABCC for defective alcoholic liquors which are returned, suppliers are required to grant a credit of equal amount to the ABCC. Under no circumstances will the ABCC be deemed to purchase any defective alcoholic liquors provided out of bailment stock.

7.2. Concealed damage or shortage.

7.2.1. ABCC owned alcoholic liquors.

7.2.1.1. ABCC will be provided appropriate credit by suppliers for alcoholic liquors which are damaged or shorted and located in the ABCC warehouse.

7.2.1.2. Alcoholic liquors which are damaged or shorted and located in retail liquor stores will be processed in accordance with the procedures provided in 175 C.S.R. 1, §4.9. Appropriate credit will be provided to the

respective retail liquor stores and disposition instructions will be requested from suppliers. The ABCC may destroy damaged alcoholic liquors and invoice the supplier for handling charges if disposition instructions are not provided within thirty (30) days after the supplier is notified of damaged alcoholic liquors.

7.2.2. Bailment alcoholic liquors.

7.2.2.1. Damaged or shorted alcoholic liquors which are located in the ABCC warehouse and available through the bailment method of warehousing must be removed from the warehouse.

7.2.2.2. Alcoholic liquors which are damaged or shorted and located in retail liquor stores will be processed in accordance with the procedures provided in 175 C.S.R. 1, §4.9.

a. ABCC personnel are authorized to direct the return of damaged alcoholic liquors to the warehouse and invoice the supplier for all handling charges, regardless of whether the supplier provides disposition instructions within thirty (30) days of being notified of the damaged alcoholic liquors.

b. Appropriate credit will be provided by the supplier to the retail liquor store.

7.3. The ABCC will under no circumstances be deemed to purchase any defective alcoholic liquors from that which is provided for distribution by bailment.

§175-6-8. Withdrawal of Bailment Inventory by the Supplier.

8.1. The supplier may withdraw alcoholic liquors from bailment storage for the following reasons:

8.1.1. The supplier may return product to his warehouse for redistribution to other areas. The supplier cannot redistribute the product to other states or wholesale or retail customers directly from the ABCC Warehouse.

8.1.2. The supplier may return product to his warehouse if the maximum inventory level at the ABCC Warehouse has been exceeded.

8.1.3. The supplier may return product to his warehouse if the product is defective or unsalable.

8.1.4. The supplier must return product to his warehouse if the product has been delisted by ABCC and will no longer be available in the State of West Virginia except through ABCC by special order.

8.2. The ABCC must approve of the removal of any product before it can be removed from the warehouse. Such approval must be provided at least 24 hours in advance of the desired removal. Such removal must only occur during the warehouse delivery hours specified by Section 4.5.1.

8.3. The supplier must provide a motor carrier to be used when removing product from the warehouse. The carrier must make arrangements with the ABCC for a loading time.

8.4. ABCC will load the product onto the truck. The carrier driver will observe the loading. Both the ABCC and the driver must sign the Bill of Lading and a copy of the document will be provided to the supplier. ABCC will adjust the computer bailment inventory records.

8.5. ABCC will charge the supplier a case handling fee to cover the costs resulting from this activity. The charge will be specified by Section 11.1.

§175-6-9. Maximum Inventory Levels.

9.1. The preapproved level will be a sixty-day (60) supply based on a one-year (1) average consumption for each code.

9.2. ABCC will set a maximum level of inventory of each item in storage.

9.3. The maximum inventory levels will be reviewed quarterly and recomputed on a

forecasted sales basis. The supplier will be provided with a copy of the quarterly maximum bailment inventory level report listing the codes carried and the computed levels. The maximum inventory level for each code will be used by the ABCC to approve or deny subsequent supplier shipments.

§175-6-10. Special Orders.

10.1. ABCC often receives requests for an item that is not listed in the Wholesale Spirits Catalog.

10.1.1. ABCC will attempt to satisfy these requests through the Special Order procedure provided in 175 C.S.R. 1, §4.3.

10.1.2. Special Order products may be ordered only on a case lot basis.

10.2. Suppliers must notify the ABCC in writing in order to not participate in Special Orders. ABCC will inform retail liquor stores of the supplier's position.

10.3. Suppliers must receive permission from the ABCC to maintain a supply of a Special Order item in storage at the ABCC Warehouse. Maximum levels of inventory for the special order product must be determined.

§175-6-11. Handling Charges.

11.1. Suppliers doing business with ABCC under the bailment inventory system will be charged for routine warehousing services, such charges will be deducted from the amount due the suppliers for withdrawals of their stock from bailment inventory. If a supplier, whose license status is active, does not have sufficient withdrawals of their stock from bailment inventory to allow the charges to be deducted, then such amount shall be carried forward until such time as withdrawals are made in amounts sufficient to allow the charges to be deducted from the amount due the supplier. Should the supplier's license status become inactive, an invoice will be issued by the ABCC to the supplier for the amount of the charges due the ABCC. The amount of such

charges will be imposed by administrative notices filed in the State Register.

11.2. ABCC may also impose handling fees when extra services are performed. Examples of extra services and charges are as follows: (See Table 1 at the end of this rule.)

11.3. ABCC will complete a special warehouse case handling report when extra services are performed. This form will identify the supplier, type of services rendered, and the charges. ABCC will invoice the supplier based upon the services and charges indicated in the special warehouse case handling report.

§175-6-12. Reserved for Future Use.

§175-6-13. Physical Count of Inventory.

13.1. The ABCC is responsible for maintaining the accuracy of the perpetual computer inventory records. All transactions affecting the files are checked and verified for accuracy daily.

13.2. The ABCC will conduct a physical count of all products in the warehouse on a twice per year basis as of June 30 and December 31. Differences between the physical count and the perpetual records will be resolved by adjusting the perpetual records. Suppliers will be advised of any discrepancies found to affect the product they have in storage.

13.3. Supplier's representatives may perform a physical count of the supplier's inventory. Suppliers are required to make appointments at least 24 (twenty-four) hours in advance of the count time. Representatives may be asked by ABCC to display appropriate credentials prior to commencement of counting activities.

§175-6-14. Listing and Delisting of Inventory Products.

14.1. Listing and delisting of products will be governed through administrative notices issued by the ABCC.

14.2. Where product with an alcohol content in excess of one-half of one percent (.5%) and a distilled spirit base is available for inclusion in the bailment inventory but the product does not fit within the definition of alcoholic liquor, distilled spirit or wine, the ABCC may authorize such product to be included in the bailment inventory and sold by licensed retailers.

§175-6-15. Reports.

15.1. ABCC will produce and make available to the person named as agent on the respective supplier's Bailment Authorization Form different computer-generated reports to assist in managing the bailment inventory.

15.1.1. The agent must choose which of the following reports is to be received.

15.1.1.1. BAIL 100 provides the daily bailment withdrawal information by showing the total cases withdrawn by code and by supplier. The delivered case cost is extended by the total number of cases withdrawn from the bailment inventory to determine the total dollar amount for each code withdrawn.

15.1.1.2. BAIL 110 provides weekly withdrawal information by summarizing the daily reports.

15.1.1.3. BAIL 115 provides the billing report as of the fifteenth (15th) and last day of the month. This report, which is a semi-monthly bailment activity recap, contains for each code the summarized withdrawal-data, the month-to-date receipts, and the current on-hand inventory.

15.1.2. In addition to the foregoing reports, ABCC will provide the BAIL 120 report which will provide the monthly recap of all bailment activity. This report contains information from both semi-monthly BAIL 115 reports.

15.2. The following reports will be available as needed to all of the supplier's agents as designated on the Bailment Authorization Form.

15.2.1. BAIL W100 (Bailment Stock Requirements By Supplier) serves as the guideline for determining warehouse replenishment needs.

15.2.1.1. The report provides the sales by bottle for a four (4) month period, the two (2) month average, and the number of cases represented by the two (2) month average.

15.2.1.2. The number of cases needed for resupply may be calculated by comparing the current on-hand inventory levels for active product and fortified wines.

15.2.1.3. A negative quantity in "cases needed" indicates the code is in an overstock condition.

15.2.1.4. This report contains only active product and fortified wines.
