WEST VIRGINIA RESIDENT BREWERS

(Physical address and email listed)

*WV Resident Brewers can distribute their products from the place of manufacture in territory not franchised to a WV Beer Distributor.

As Resident Brewers may act at their own distributor from the place of manufacture if they have not entered into a franchise agreement that doesn't include the county in which they are located, and if the Special Event is geographically located in the county in which the Resident Brewer is located, they must also be given the opportunity to participate.
