

RETAIL OUTLET LICENSES AVAILABLE FOR BID

There are a total of 181 licenses authorized in the State of West Virginia (see Appendix A for a complete listing). During Phase I, the Purchase Option Process, 49 active retail licensees exercised the Purchase Option on previously licensed retail outlet licenses. During Phase II, approximately 128 retail outlet licenses were or will be awarded. Provided below is a listing of the remaining 4 retail outlet licenses that will be offered during Phase III of the License Bid Process. Note that the retail outlet licenses highlighted in **red** are “**Designated Area Retail Outlets,**” meaning they are designated for a specific geographic area within the market zone. For additional information on “**Designated Area Retail Outlets,**” their location and other details, see the “**PHASE III - Zone Maps and Data**” book available at www.abca.wv.gov. For additional information about all retail outlet licenses, you must review the “**Zone Maps**” available at www.abca.wv.gov.
